**DETAILED ACTION**

1. This is the communication in response to the amendment filed on February 1, 2010 for application, titled: "Electronic Payment And Authentication System With Debit And Identification Data Verification And Electronic Check Capabilities".
2. Claims 48, 49, 66, 71, 75, and 77-79 have been amended. Claims 1-47 were cancelled previously. Accordingly, claims 48-80 remain pending in this application and have been examined.

***Claim Rejections - 35 USC § 101***

3. Applicant has amended claim 48. Hence, the rejection is withdrawn.

***Allowable Subject Matter***

4. Claims 48-80 are pending. All pending claims are allowed.
5. The following is an examiner's statement of reasons for allowance:
6. The most relevant Goeller and Morgan references, alone or in combination, do not teach a debit transaction data validation system and method including the step of "retrieving a consumer key based on at least a portion of the transactional debit data, the consumer key linking debit data from a plurality of data sources". Goeller does not teach a consumer key, among other things, to retrieve stored debit data. Morgan teaches a persistent key which is divided into several fields of information and is different than the claimed consumer key which is linked together into a unique identifier for a particular customer in a manner that represents a relatively permanent

relationship. The consumer key as disclosed in the present application is a unitary string or number in one embodiment thirteen bytes in length and cannot be broken.

7. An updated search did not identify any references that disclose the claimed invention, or could be reasonable to combine with the Goeller and Morgan references. For this reason, claims 48-80 are allowed.

8. Pertinent Prior Art: "Making Payments on the Internet", Business Review (Federal Reserve Bank of Philadelphia), James J McAndrews, pp: 3-14, Jan/Feb 1997.

9. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

10. Claims 48-80 are allowed.

11. Any inquiry concerning this communication or earlier communications from the examiner should be directed to HAI TRAN whose telephone number is (571)272-7364. The examiner can normally be reached on M-F, 9-4 PM.
